Core Competency

Patriot Solutions connects quality manufacturers with complex contracting requirements through sophisticated capture, logistics, and supply chain management. We reliably deliver office, bathroom, and breakroom supplies; educational furniture; laundry bags; safe-kid related products; weatherproof-locking totes; and AbilityOne products to government agencies. Our successful past performance on highly complex federal and state contracts demonstrates that we are a low risk solution for government agencies. We share our industry knowledge with contracting officers and end users, offering intuitive reporting and a consultative approach to guide proactively on potential supply or raw material challenges.
